Chapter 1 by Silent depression105

My eyes burned from the bedroom light. It was 5:00 in the morning and my big brother was not yet awake. I put on my school uniform grabbed my back pack, phone and head phones then headed out after writing a note to my brother and perfectly sticking it on his face so he didn't miss it. I started walking over to my school in the morning dew I plugged in my head phones and played "all about that base" by Megan trainer.

After about 30 minutes of walking I finally reached the school. I sat on the huge stair case and waited for my friends. A moment later Tyler came running by he skidded to a stop and turned around and came charging at me and crushed me with a bone killing hug. I struggled for air while I clawed at the sky begging to be let go. T-Ty-Tyler pleas I-let me go I can't breathe I said in my struggle. suddenly out of nowhere I was lifted out Tyler deadly grip.

Thank you Alex. I said still panting for air Alex nodded in approval. Hey Alex you took away my little girl. he said complaining out of nowhere a voice yelled. Hey get off my baby sister right now. Yelled Jackson. Alex quickly put me down then him and Tyler backed away rapidly sweating Jackson ran up to me in a flash leaving a huge dust cloud behind him.
